NATURA BISSE

FACE + BODY TREATMENTS

C+C \$175
60 MIINUTES

Vitamin C is a fountain of wellness for your body. Anti-inflammatory, antioxidant and deeply hydrating, it also naturally boosts collagen in the skin, making it a quintessential and vital molecule for skin health. Indulge in the invigorating citrus aroma and show off exquisite, intensely hydrated, luminous skin. Say goodbye to signs of fatigue and dull tone. Embrace your new glowing complexion.

OXYGEN - O2 \$175
60 MINUTES

Oxygen is life. It's purity, it's essential. Purifying, revitalizing, hydrating and brightening, The O2 restores luminosity, evens out skin tone and exceptionally oxygenates to provide skin with energy and freshness. A burst of oxygen is perfect if your skin feels dull or asphyxiated due to environmental damage, stress or even long airplane flights.

CARBOXY EXPRESS \$125
15 MINUTES

Show off pure, glowing skin with Carboxytherapy, an aesthetic technique that uses CO2 to fight signs of aging through producing an effervescent explosion to revitalize skin. This renewal treatment intensely regenerates your skin's surface, delivering maximum luminosity.

C+C BODY \$225
90 MIINUTES

For Men and Women looking to reduce pore size, even out skin tone and minimize fine line. Once every two to three months.

THE PEEL SESSIONS

LIGHT

\$175+

30 MIN

Also referred to as "lunchtime peels," these 20 minute fast fixed are great for first-time peelers. "Milder concentrations of salicylic and glycolic acids, as well as lower-percentage TCA - between 10 and 25 percent - are used to penetrate only the outer layer of skin, gently exfoliating it to smooth rough areas, as well as improve mild acne, hyperpigmentation and fine lines." Expect mild redness that subsides after a day or so. Often the skin won't physically peel.

MEDIUM

\$225+

45 MIN

An executive cocktail gently treats the skin to promote a radiant glow. Improves surface texture Brightens skin Promotes even skin tone Ideal for sensitive, ethnic and acneic skin types, rosacea and redness

ADVANCED

\$300

45 MIN

If you're battling breakouts, this peel is your salvation. This intense treatment rebalances natural oil production of the skin, treating existing acne + preventing new breakouts. Improves the appearance of acne, prone skin, melasma + brown spots, Promotes even, bright skin tone.
